

Certification Program

Building AI Agents

For Subject Matter Experts

PROGRAM SNAPSHOT

Format:

Hybrid (Online + Campus Immersion)

Duration:

23 learning hours (8 hrs online, 15 hrs campus)

Online	6-7 Sep & 13-14 Sep 2025 (11AM-1PM IST)
Campus Immersion	26-28 Sep 2025 (Full day, IIT Mandi iHub)
Seats	Limited (selection based on application review)
Investment	₹49,999 ▶ includes tuition, campus accommodation & meals

IIT Mandi iHub Guest House:
Check-in: 25 Sep (Thursday) Check-out: 29 Sep (Monday)

WHY THIS PROGRAM?

IIT Mandi iHub and **Nagent AI** have partnered to empower subject matter experts to build production-ready AI agents without coding.

Who is this for?

- Functional leaders (marketing, finance, legal, healthcare, supply chain, HR, etc.)
- Product managers, business analysts, tech-savvy entrepreneurs, and consultants
- Corporate innovation teams driving AI adoption

No coding background required!

If you have 5+ years of work experience, have tried AI models, and are passionate about AI, this is for you!

WHAT WILL YOU ACHIEVE?

- **Hands-on AI Agent Creation:** Design and deploy your own functional AI agent using a no-code builder
- **Master Agentic Prompting:** Learn how to chain prompts and evaluation loops for reliable outputs
- **Real-World Impact:** Validate business ROI, pilot your agent in your domain
- **Joint Certification:** Receive a prestigious certificate from IIT Mandi iHub & Nagent AI
- **Network:** Join a peer community and get exclusive alumni benefits

CAPSTONE PROJECT

Session	Date & Time	Topic Highlights
Module 1	Sat 6 Sep 11AM-1PM	<ul style="list-style-type: none"> • Evolution of AI Agents • Agent vs LLM • High-value use-cases by function
Module 2	Sun 7 Sep 11AM-1PM	<ul style="list-style-type: none"> • Core Ingredients: LLMs, Tools, Memory • 25+ Model Providers overview like Open AI, Anthropic, Black Forest Labs, Eleven Labs etc • Basics of Prompt Engineering
Module 3	Sat 13 Sep 11AM-1PM	<ul style="list-style-type: none"> • Build Options landscape (open-source, frameworks, platforms) • Agentic Prompting deep-dive: chaining, guards, evaluation
Module 4	Sun 14 Sep 11AM-1PM	<ul style="list-style-type: none"> • Hands-on: Building your first agent on Nagent AI -creating a single stage agent using any one of the AI models. • Connecting tools & knowledge bases. • Testing & iterating
Campus Immersion	26-28 Sep (Full day, IIT Mandi)	<p>Day 1: Advanced workflows & multi-agent orchestration</p> <p>Day 2: Capstone build sprint with mentor checkpoints</p> <p>Day 3: Demo Day, feedback panel, certification ceremony</p>

WHY THIS PROGRAM

Real-World AI Agent Use Cases You'll Master

- **Legal Contract Analyser** – auto-summarises contracts, flags risky clauses for legal & compliance teams.
- **Marketing Campaign Assistant** – drafts on-brand copy and analyses campaign metrics for marketers.
- **Supply-Chain Risk Monitor** – detects disruptions in real time and suggests alternate suppliers or routes.

THE CAPSTONE CHALLENGE

- **Build and demo your domain-specific AI agent** (solo or as a pair)
- **Deliverables:** Problem statement, agent architecture, working prototype, business case, and live demo
- **Mentorship:** Get guidance from Nagent AI creators, IIT Mandi iHub faculty, and guest industry mentors
- **Awards:** Grand prize for Best Overall Agent, Highest Business Impact, Most Innovative Workflow, and People's Choice

YOUR EXPERT FACULTY & MENTORS

- **Pratap Behera** – Cofounder & CEO, Nagent AI
- **Senthil Raj** – Head R&D, Nagent AI
- **Siddharth Kanungo** – Advisor at iHub & Founder of Primerlabs
- **Anmol Gupta** – Founder of MythyaVerse

EXCLUSIVE PARTICIPANT BENEFITS

- **3-Month Pro Pass to Nagent AI Agent Builder Playground** (value \$297)
- **Access to 100+ LLMs & 200+ tools** for unlimited experimentation
- **SME Agent Creator Community:** Webinars, peer support, alumni badge for LinkedIn
- **Complimentary stay & meals** at IIT Mandi iHub during immersion
- **Priority access to future advanced tracks**

REGISTRATION & FEES

Course Fee: ₹49,999 (inclusive of GST, accommodation & meals)

How to Apply:

1. Submit your online application from 20 June 2025
2. The selection committee shortlists high-potential participants
3. Receive an admission offer email with a secure payment link
4. Confirm your seat by 5 September 2025

Important Dates:

- Application deadline: 30 August 2025
- Online sessions start: 6 September 2025
- Campus immersion: 26 – 28 September 2025
- IIT Mandi iHub Guest House: Check-in 25 September, Check-out: 29 September

About IIT Mandi iHub

IIT Mandi iHub is a leading technology innovation hub, established under the National Mission on Interdisciplinary Cyber-Physical Systems. The hub drives cutting-edge research, entrepreneurship, and skill development in AI, robotics, and data science. By fostering industry-academia collaboration and supporting startups, IIT Mandi iHub empowers innovators to solve real-world challenges with advanced technology.

About Nagent AI

Nagent AI is a next-generation no-code platform for building, deploying, and managing advanced AI agents. Trusted by professionals across industries, Nagent AI enables subject matter experts to automate tasks, connect data sources, and deliver intelligent outcomes without writing a single line of code. With a focus on accessibility, innovation, and real-world impact, Nagent AI is helping organizations unlock the full potential of AI.
